

Hello,

You will now be able to download your child's Tapestry Journal to your computer to save and print if you would like too. All you need to do is:

Log on to your account

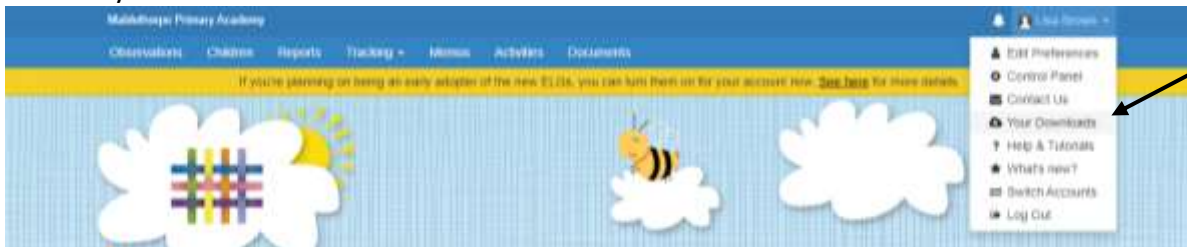

The image shows the login page for Tapestry Online Learning Journal. At the top left is the logo, which consists of a colorful grid of squares followed by the word 'TAPESTRY' in large, bold, grey letters and 'ONLINE LEARNING JOURNAL' in smaller, grey letters below it. Below the logo is a light blue box with the text 'You have been logged out' and 'For extra security you may wish to quit your browser (ok?)'. Underneath this are two input fields: 'Email address' and 'Password'. At the bottom of the form is a blue button labeled 'Log in'.

Press on your name at the top right corner

Click on your downloads

Your child's Journal will be there for you to download. You will have 3 weeks to download your child's journal. Any new observations added will not be added to your child's journal.

Thanks,

The Reception team
