

HOME LEARNING DAY

⇒ Thursday 3rd September ⇒

Learning beyond the classroom! ♥

As school is closed for one day, we would like children to take part in a special day of learning linked to the **historic cycling race** travelling through Lincolnshire.

This is a fantastic opportunity for children to experience a **major sporting event taking place in our local community**.

Communities along the route have embraced the occasion with **cycling-themed displays, decorations and celebrations**, creating a real festival atmosphere.

Keep an eye out for the **nine pieces of land art** celebrating Lincolnshire's heritage and famous figures.

Riders will travel through:

WOODHALL SPA HORNCastle WRAGBY LOUTH MABLETHORPE SUTTON-ON-SEA ALFORD SPILSBY SKEGNESS
