Home Learning Task – Term 2

To support your child in their learning we would like to invite you to complete the following home learning tasks with your child: -

- ✓ **Create Firework Pictures** – create your own sparkly firework picture.
- ✓ **Baking biscuits** – take photos and write how you have made them.
- ✓ **Take an Autumn Walk** – Remember your wellies and camera to take snap shots along the way. You could make an autumn collage.
- ✓ **Paint an Autumn coloured pebble** – Find a magical pebble/stone and paint it using autumnal colours. These would look great in our outdoor area.
- ✓ **Read Autumn Stories** – Take a trip to the library and borrow some of the lovely stories they have to offer. Write about your favourite book.
- ✓ **How to total 5? -** Look for different ways to total 5 and talk about the number patterns you can see. You might see 3 green apples and 2 red ones. We say, '5 is made of 3 and 2, and 2 and 3 makes 5'. How many ways can you a 5 pattern?
- ✓ **Put your coat on! -** Now the weather is getting colder, practise putting your coat on yourself and zipping it up.
- ✓ **Phonics! -** Can your practise your sounds in your sound book and try to blend some CVC words e.g. mat, cat, top, fan, etc

We would like any work completed to be put onto Tapestry please.

Thank you for your continued support
The Reception Team
