

Mablethorpe Primary School Knowledge Organiser

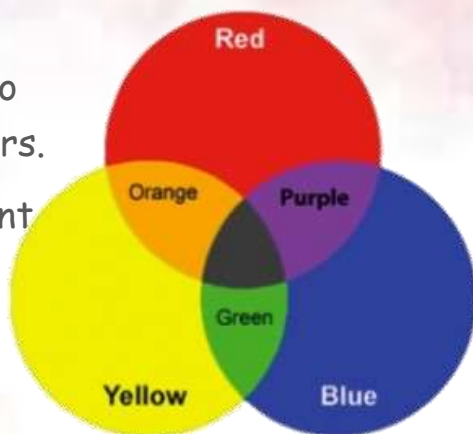

Term 1- Year 1

Prior Knowledge: You have been learning about your body.

Colour Mixing:

The three primary colours; blue, red and yellow can be mixed to make secondary colours.

Can you make different shades by experimenting with the primary colours?

Sketching:

We will explore how sketching is really useful for creating a rough picture that we can rub out easily.

First, practice holding your pencil correctly in the tripod grip.

Can you sketch a picture of your home?

Vocabulary:

Observational drawing: drawing what you can see

Tone: tone is how light or dark something is

Highlights: are areas with lots of light

Shadows: are the darker areas

Shading: is used to create different tones in art.

Artist: Andy Goldsworthy:

Andy is a British artist known for his sculptures and photography.

He makes sculptures with natural materials and has made them in forests, fields, lakes, cities.

They are known as Land Art.
