Mablethorpe Primary School Knowledge Organiser

Term 2- LKS2 "How does Henri Rousseau bring the jungle to life without ever leaving Paris?"

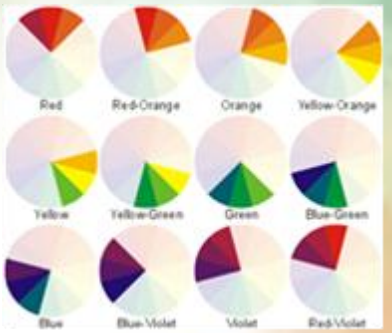

Prior Knowledge: Children will have learnt about colour wheels, colours for purpose and colour mixing. They will have explored sketching and self-portraits.

Colour wheels:

Complementary colours

Harmonious colours

Vocabulary:

Sketch- a rough or unfinished drawing or painting, often made to assist in making a more finished picture

Tone- refers to the relative lightness or darkness of a colour

Still life- a painting or drawing of an arrangement of objects

Complementary colours-two colours which are directly opposite each other on a colour wheel

Harmonious colours- colours which sit next to each other on the colour when and are pleasing to the eye

Collage- Collage is an art form that is made up of overlapping pieces of material, such as photographs, fabric, coloured and textured paper and other types of mixed media.

Artist: Henri Rousseau 1844-1910

-Henri Rousseau

Henri Rousseau is most celebrated as being one of the best naive artists.

Although much of his work was often ridiculed, he did not waiver in the form and style in which he created his art work.

Henri Rousseau is most well known for the jungle themes in which most of the pieces he created took place.
