Dear Parents/ Carers

Re: School Meals

We would like to thank you for the fantastic turn out at the recent taster session provided by Ideal Meals. The feedback we have received gave Ideal Meals a big thumbs up from pupils, parents and staff with an overall satisfaction rate of 97.44%.

As a result, we are pleased to inform you that from September, Ideal Meals will be our new provider. For anyone that was unable to attend the taster session, Term 1's menu is enclosed.

What you need to do if you want your child to receive a meal from September:

If you have a child in Years 3 – 6 and your child qualifies for a free meal under Free School Meals (FSM)

or

You want to purchase meals for your child (from September the cost of a paid meal will be £2.40 per day).

From September all meals must be ordered by parents online at Ideal Meals. To do this you will need to register with them by following the instructions on their website www.schoolmealsonline.co.uk/subscribe

Once you have registered, it normally takes 24 hours for you to receive confirmation that your account is ready for you to order meals. The enclosed instruction sheet from Ideal Meals will help you to get started. **Orders must be completed by Midnight on Monday for the following week. From September you will no longer be able to order meals in school so register today.**

We appreciate that there will still be parents and children who will choose to bring a packed lunch. From September as part of a new initiative we plan to send home the remaining content of the packed lunch. This will mean that as a parent you can see how much packed lunch your child is eating.

If you have any questions, please contact the office who will be more than happy to help.

Kind regards
Catherine Teale
