

Hi! I'm Stanley Bear!

Please look after me over the next few days and bring me back after the weekend!

You can record our adventures together in this book and then take it back to school to share with the children in nursery.

You might like to draw a picture of me, write about my stay at your house (with some help from a grown up ofcourse) and even take me out and about with you too! I also love having my photo taken but remember to take it of me by myself please!

Love Stanley xxx

P.S. I like lots of cuddles and hugs!
