

Home Learning Tasks - Term 3

To support your child in their learning we would like to invite you to complete the following home learning tasks with your child. Our theme is 'Sensational Senses'

- ✓ **Create Winter Pictures** - Create your own winter wonderland using different resources.
- ✓
- ✓ **Enjoy those Winter days** - Remember your wellies and camera to take snap shots along the way and use your senses to find out about winter.
- ✓ **Think about different ways to keep healthy**- you could make a healthy snack or try exercising outside- such as riding a bike or playing in the park.
- ✓ **Play a board or card game with your family** - Snakes and ladders, snap, tiddly winks? Play a game with your family, remember to take turns and see who wins!
- ✓ **Numbers to 10**- use objects and put them into 2 sets to make 10. How many different ways can you make 10?
- ✓ **Tell us about your favourite story** - Draw a picture and write about your favourite story.
- ✓ **Shape picture** - create a picture using different shapes.
- ✓ **Number detectives!** - Count objects up to 10 in your environment, can you write the correct numeral to match?

We would like any work completed to be put onto Tapestry.

Thank you for your continued support
The Reception Team
