Dear Parent / Guardian,

We are delighted to share with you a new NHS funded service being piloted in Lincolnshire that's designed to support young people aged 7-12 who are experiencing worries or anxieties; **Lumi Nova**.

What is Lumi Nova?

Lumi Nova is an intergalactic adventure game to support young people to fight fears and manage worries. Whilst exploring planets, customising characters and earning treasure your child breaks their fears and worries down into manageable steps, learning life-long skills and building resilience.
