

At Mablethorpe Primary Academy we follow Read Write Inc for our Phonics teaching in Foundation stage and Key Stage 1.

What is Read Write Inc Phonics?

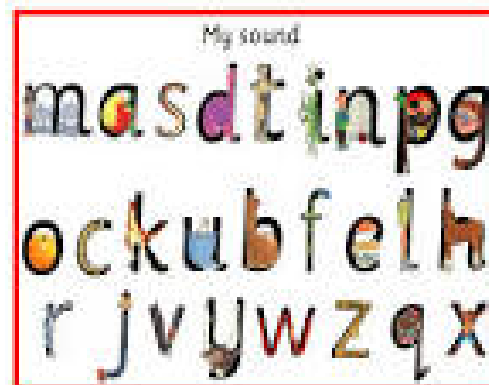

Read Write Inc is a programme for primary school children to teach them to read. It enables every child to become a confident and fluent reader at the first attempt. The children who complete the RWI programme learn to read fluently and confidently.

How does it work?

The RWI programme is well structured and lively. The children learn 44 sounds and matching letters/letter groups. They learn to blend sounds to read words. They read books which have been specially written and children will take reading books home matched to their phonics ability. During RWI lessons the children will read and write for 1 hour every day, in their groups (they are grouped according to their reading level).
