

<b>History</b>	<b>Year 2</b>	<b>Family tree - Who is part of your family?</b>
<p><b>During this theme:</b>          You will learn what a <b>Historian</b> does to find out information about the past. You will learn about what living in the past, in Mablethorpe may have been like. Talking to your families you will compare it to how people live now and look at the changes. You will learn what a <b>source</b> is and that there are many different types of sources of evidence. You will explore how Mablethorpe has changed such as homes and transport and you will understand the impact of some famous families in Mablethorpe such as Lord Tennyson. You will then decide if the changes have been for the better and what time period you would prefer to live in.</p>		 <p>Family trees tell us about who we are related to.</p>
<p><b>Prior learning</b>          You have started to understand what is meant by the past and how life changes over time. You have explored how the seaside at Mablethorpe may have been different. You are starting to understanding the passage of time.</p>
