Dear Parents/Carers,

During this academic year, you may find yourself learning away from school for a period of time. This would happen if you needed to self-isolate due to a family member testing positive, a closed bubble at school due to a positive test or another lockdown.

In these situations, teachers will set appropriate work in line with our current curriculum. Our remote learning option across one to year six will primarily be through Microsoft Teams. Use will also be made of our website and supplemented by a range of resources. Children will remain in contact with their class teacher through Teams.

You can expect to see:

- A sequence of English activities
- White Rose Math's to support Math's teaching
- My Maths
- Science, History or Geography work
- Oak National Academy for RE

In the event of self-isolation due to Coronavirus, engagement in home learning is expected. However, if you or child are ill, they would not be expected to learn.

Kind Regards

Catherine Teale

One of the Greenwood Dale Foundation Trust Group of Academies
