## Pronunciation Guide...

The letter C is pronounced in two different ways...

When it is not followed by ‘i’ or ‘e’, it is a hard ‘k’ sound e.g. ‘cuatro’ (four)

‘ci’ or ‘ce’ are both pronounced ‘th’ e.g. ‘doce’ (twelve)

The special letter ñ is called enye (en – yay) and makes the sound ‘ny’ e.g. ‘años’ (years)
