

Home Learning Task - Term 6

To support your child in their learning we would like to invite you to complete the following home learning task with your child: -

- ✓ **Paint a picture of the beach** - Thinking about the colours you need, paint a picture of the beach and write a sentence.
- ✓ **Draw a map** - How do you get to the shops or school from where you live? Draw a map and add any landmarks or features you see on the way.
- ✓ **Make a Holiday Poster** - How can we stay safe on holiday? Create a poster explaining how we can stay safe when we travel.
- ✓ **Create a photo timeline** - Use pictures to create a timeline of how you have changed.
- ✓ **Reception Memories** - Draw and write about your favourite memories and what you have learned during reception.
- ✓ **Sun Safety** - Talk to a grown-up at home about how to stay safe in the sun. What do you need? What can you do?
- ✓ **Numbers mad!** - Look for shells and pebbles and use them to play addition and subtraction games. Write number sentences to go with your game.
- ✓ **Cloud Spotting** - Clouds come in all shapes and sizes and summertime can be a wonderful time to spot them!
- ✓ **Berry Picking** - Summer is the perfect time of year for berry picking! Why not go on a family nature walk in search of blackberries or visit a farm that grows strawberries?

Please put pieces of work on to Tapestry.

Thank you for your continued support

The Reception Team
