

Remote Learning Phonics offer

What is Read Write Inc Phonics?

Read Write Inc is a programme for primary school children to teach them to read. It enables every child to become a confident and fluent reader at the first attempt. The children who complete the RWI programme learn to read fluently and confidently.

How does it work at home?

In Foundation Stage and Key Stage 1, children are set daily Read Write Inc phonics lesson. In year 1 they will have a follow up activity. We encourage the children to read daily. Please read the books three times as this helps with fluency. During your child's first read they will concentrate on decoding the words. In the second read they will still need to decode some of the words but by the time they read the book for the third time, they should be reading it fluently.

The children start with **set 1 sounds**. **m a s d t i n p g o c k u b f e l h s h r j v y w th z ch qu x ng nk.**

They learn to say and write the sounds. As they learn these sounds they start to blend them together to read words.

The children then move onto **set 2 sounds**: **ay ee igh oo oo ar or air ir ou oy.**

They will be taught a new sound each day, but will review all sounds previously taught daily. They will read the green cards with words containing the new sound and review previously taught sounds on the daily video.

Set 3 sounds: **ea oi a-e i-e o-e ue aw are ur er ow ai oa ew ire ear ure.**

The children will learn these new sounds and be taught the different spelling patterns for these.

Please click on this website. There are videos on how to use 'pure sounds' and lots of ideas and activities to support your child at home.
