Home Learning Task – Term 1

To support your child in their learning we would like to invite you to complete **two or more** of the following home learning tasks with your child: -

- ✓ **Create a family picture** – Create a picture of your family.
- ✓ **Talk about friendships** – Discuss with your family how we can be good friends.
- ✓ **Draw a picture of yourself** – Find a mirror and draw a picture of yourself.
- ✓ **Become a Number Hunter!** – When out and about keep your eyes open for hidden numbers in your local environment. What numbers do you see? What are they? What is the most popular? Keep a number record of where you have found them.
- ✓ **Enjoy those Windy days** – get creative and make a kite using different resources from around your home. A carry bag and string make a very good kite! Wrap up warm and let's go fly a kite!
- ✓ **Favourite activities at school-** look at the Tapestry photos together and talk about favourite activities.

We would like you to put any work completed in your child's pink homework book or onto tapestry by using the add observation tab.

We look forward to seeing your lovely work.
Thank you for your continued support.
